

Compact Mono Laser Multi-function Printer

The DCP-7055 offers print, scan and copy capabilities in one compact multi-function unit. Fast, high quality prints, combined with low running costs make this the perfect solution for cost conscious buyers.

PRINT

SCAN

COPY

- Versatile all-in-one mono laser printer, scanner, and copier.
- Fast printing at speeds of up to 20 pages per minute (ppm).
- First print out in less than 10 seconds.
- HQ1200 (2,400 x 600 dpi) print resolution for high quality prints.
- Easy to use control panel with 2 line LCD screen.
- Compact, space saving design.
- Low maintenance: large 250 sheet paper tray and manual feed slot to print on envelopes.

This versatile all-in-one is packed with a range of features to help you cut costs and save time...

Scan colour documents direct to your PC

Versatile

With high speed printing and copying at up to 20 pages per minute, the DCP-7055 produces high quality documents fast. The 250 sheet built-in paper tray means you will be replenishing paper less frequently making you more efficient in your daily tasks. The single sheet multi-purpose tray allows you to print on thicker media such as envelopes. The high resolution colour scanner means you can create digital copies of hard copy documents quickly and easily.

Easy to Use

Although the DCP-7055 is equipped with a wealth of impressive functions, the intuitive control panel together with the 2 line LCD screen means you will be familiar with the most frequently used features in no time. An easy to follow menu structure means the machine is quick and easy to set-up and configure. Replacing the toner cartridge is simple thanks to the front operation.

Value for Money

With the DCP-7055, high performance doesn't mean high costs. Save paper and use less toner by reducing 2,4,9,16 or 25 pages onto just one A4 sheet with N-in-1 printing. Using Toner Save Mode can further reduce your running costs.

Environmentally Friendly

The DCP-7055's ENERGY STAR certified energy efficiency means low power consumption for you. Brother's separate toner and drum system significantly reduces waste. Moreover, you can return your empty toner cartridge to Brother to be recycled free of charge.

Comprehensive Software

The DCP-7055 comes complete with a range of easy-to-use software utilities to improve your productivity. Bundled with the powerful Scansoft® Paperport™ document management software, hard copy documents such as invoices can be scanned in colour, stored and managed electronically for future retrieval.

Fast and efficient printing and copying at speeds of up to 20 ppm

Print on thicker media and envelopes using the manual feed slot

DCP-7055

DCP-7055 Compact Mono Laser Multi-function Printer

This versatile all-in-one offers high quality prints, scans and copies in one compact multi-function unit. You'll appreciate being able to print fast at up to 20 pages per minute (ppm), and your first page will come out after only 10 seconds. Sharp, crisp text and accurate reproduction of fine detail are a given too, with the DCP-7055's high print resolution for outstanding results.

The high resolution flatbed scanner produces high quality colour images of scanned documents straight to your PC. The single sheet multi-purpose tray can be used to print on thicker media such as envelopes whilst the standard paper tray boasts an impressive 250 sheet capacity so you'll replenish it less frequently.

The DCP-7055 has been designed with the budget conscious buyer in mind. A range of software features including N-in-1 printing where multi-page documents can be reduced to just one page and toner save mode can reduce print costs considerably. All supplies, including the drum, can be replaced individually. This saves you money as you only pay for what you've used.

When the DCP-7055 is in sleep mode, it consumes just 0.9 watts of power. It is the most energy efficient laser multi-function from Brother ever and has helped it to achieve ENERGY STAR certification thanks to its outstanding energy efficiency. Further more, you can return your empty toner cartridge via the Cartridges 4 Planet Ark recycling program.
